Participating Clubs:

Futsal is the only form of indoor football approved by FIFA, UEFA & the FA. With over 2 million players regularly participating in fast-paced 5-a-side action that rewards good technique and game intelligence, futsal is globally recognised as one of the fastest growing indoor sports in the world.

Many greats from the 11-a-side game such as Ronaldinho, Fabregas, Zidane and Pele attribute the development of their skills to Futsal. Extensively televised international competitions such as the futsal world cup and UEFA futsal cup allow players to showcase their talents on a global scale and ensure that futsal is here to stay as part of the fabric of football.

As a key element of the FA's strategy to develop the game and produce players capable of representing England; @futsal in conjunction with Cheltenham FC have put together an exciting new partnership to run a unique and forward thinking scholarship programme. The programme is new to the Cheltenham area but is already running successfully in other areas with Cardiff City FC establishing this exciting new initiative in their region. The scholarship programme will see all scholars studying and training under the guidance of Cheltenham FC staff whilst also competing in the Football League Trusts National Futsal Youth League against other professional football clubs'

To ensure that scholars are fully prepared for the future, the programme also includes a full time education package, incorporating:

- ◆ Introduction to Futsal & level 1 coaching qualification
- ◆ BTEC level 3 in Sport, equivalent to either 1/2/3 A levels allowing access to university
- ◆ Level 1 & 2 FA Futsal refereeing qualification - employment potential for future referees.
